RE: Oil Shale Mining and Retort Test Program, Permit Application,
Sand Wash Mine, Uintah County UT830208-020

Dear Chairperson:

The staff of the Utah State Historic Preservation Office has received for consideration the notice of the intention of the Division of Oil, Gas and Mining to assist in the above referenced project.

We have checked our files and have found no known cultural resources located in this project area. However, there is a high probability of sites. We have enclosed a computer printout that shows the types of sites likely to be found in the area. This information can be used by DOGM in determination of any further action on their part.

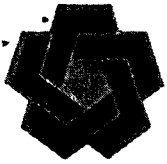

The above is provided on request as information or assistance. We make no regulatory requirement, since that responsibility rests with the federal agency official. However, if you have questions or need additional assistance, please let us know. Contact Jim Dykman at 533-7039.

Sincerely,

Melvin T. Smith
Director and
